

Never Stop™ Coding.

Technical Office Hours

The developer community is seeking to enhance local technical talent by providing one-on-one mentoring from leading developer professionals. Mentors will be available for the following technologies: .NET, C#, Java, PHP, JavaScript, Python, Design/UX and more.

Friday, April 17

12 p.m.-6 p.m.

Start Co. Labs

88 Union Ave., 2nd Floor, Memphis, TN 38103

RSVP to info@neverstop.co and please indicate if you would like to receive mentorship or provide mentorship in areas of technical interest.
